

Amendments To The Drawings

The attached sheet of new drawings, namely, new Figures 9, 10 and 11.

New Figure 9 shows the weakened zones 20b (side located) of Figure 4 extending onto the front of packing unit 16b. Figure 11 shows such weakened zones 20b on the sides (edge and edge areas) of the packaging unit 16b of Figure 4. Figure 10 shows the other side edge of packaging unit 16b of Figure 4 having notch 27.
